

**DICKIE'S DRINK DIVERSIONS**

BY @richarddavidbrews

1. SODA WATER is your friend! Add it to scotch for an old school pre-prohibition or brandy for a stomach settler.
2. LEMONS/TIMES a bit scarce? Slice one finely and garnish for a while.
3. WINE DRESS? That's a martini made right there! RD

A WEIRD ZINE FOR EVEN WEIRDER TIMES

Issue one  
23 March 2020

**EDITORS LETTER.**

Hey there!  
How's it going? WEIRD right?!

Well, with some of my bonus at-home time I've decided to make this mini zine. PLEASE join in. This is a chance to take our minds off coronavirus for a few minutes with some silliness. 😊

SEND your ideas, quotes, puzzles and drawings to [INFO@MIRIAMNICE.COM](mailto:INFO@MIRIAMNICE.COM) subject "weird zine" and I'll include as much as I can.

Loads of LOVE  
Miriam xxx
